John Aubrey Campbell

Good Morning Ms. Ashley

I was a candidate in the 2018 elections for Councilman District 1 in Terrebonne parish and this was my 1st experience with election procedure unfortunately I did not win. I understand that I was sent certified letters and apparently my son signed for the certified mail which he did not give me. My son lives with us from time to time and is currently in basic training. I could hope that you would recognize that it is not equitable for me to pay 2,500 dollars for something I was not aware of. I recently just paid off the 1,100 dollars for not registering in ample time. During this pandemic, my family has been affected financially and these are some trying times. I requesting the 2,500 dollars be waived due to the situations stated. I would appreciate your support during these troubling times and appreciate your attention to this matter.
